Dear Mr. Odeh

Assalamo Alaikum,

Thank you for your generous contribution to the Orphan Sponsorship Program. It is because of your support that we are able to reach many orphans, giving them the love and assistance they desperately need.

I know that you love your sponsored child so dearly. Thus, I became a little worried when I learned that we have not received your sponsorship gift. I hope everything is fine with you. It's not too late you can send your check today. I have enclosed a return envelope for your convenience.

May God bless you and your beloved family.

Sincerely,

Ibrahim Khalil
Director, Orphan Sponsorship Program

P.S. It will be best if you mail your check before the end of this month. Your child will appreciate your kind attention and generosity.
